13. All lots are sold as genuine, but should any lot be proved otherwise by written opinion of any responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided we are notified in writing within 14 days from date of sale that an opinion is being sought. If claim is not made within this period, no lots are returnable for any reason at any time. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$100.00. In the event an item is proved "not as described" it is returnable for a full refund. Any lot which has a certificate dated within the last five years is sold in accordance with the certificate and is not returnable for any reason including an opinion obtained in a new certificate after the sale.

2	1834 Classic Head VF & 1851 Coronet Head XF. Both nice originals.	EST	150-180	SE
Large Cents				
3	1807 Lg Fraction S-276 Fine w/ about 180-degree die rotation which the variety is known for. An attractive coin.	EST P	160-200	SE
4	1812 S-288 (R2) Good	EST	90-115	SE
5	1838 N1 AU detail but w/ some planchet defects. Still ok.	EST	90-115	SE
6	1839 over 6 Newcomb-1 near VF detail w/ even brown color. A few marks o/w a nice example of this scarce overdate. It was made by the mint clerk inadvertently punching the 9 in the date upside-down (rendering a 6), and then punching it right-side up on top of his previous error.	EST P	500-650	SE
Indian Cents				
7	1874 XF+ perhaps AU lovely brown original.	EST P	90-115	SE
8	(50) Diff 1857 // 1909 in a partial set (Whit 9402 album) circ grades w/ earlies G to F, later mostly VG to VF. Missing the keys but has 1867 G, 1869 G, 1872 AG, 1873 F, & 1908-S VG. Lovely original coins.	EST	330-400	LE
Lincoln Cents				
9	1931-S AU Brown.	EST	70-90	SE
10	(82) Diff 1909 VDB // 1940-S in an LOC Vol 2 album. Missing 09-S VDB, 09-S, 10-S, 13-S, 14-D, 22 No D, 31-D, & 31-S. Remainders are far nicer than that typically encountered w/ most earlies F or better (incl a couple nice uncs), and later better to full red BU. Worth inspection!	EST	150-180	B
11	(245) Diff 1909 // 2018-D in a Dansco 7100 w/ slipcase. Missing only the keys, a handsome collection o/w, w/ earlies G to F, later better to most Unc after 1935. (incl 09-S VG) Inspect!	EST	200-270	B
12	(145) Diff 1932 // 1988-D in old Wayte Raymond pages and binder. The coins are basically Red and Red/Brown Uncs from 1934 on. Collection also incl a 31-D in XF, and a few later strays. Nice coins.	EST	130-170	B

Three Cent Pieces				
16	1866 (Nickel) AU+	EST P	60-80	SE
17	1886 (Nickel) Proof. A bit hazy w/ a small rev lint mark left of the III. Still a nice proof consistent with those graded at the PR64 or PR65 level.	EST	320-380	SE
18	1912-S VG w/ abt six letters of LIBERTY showing. This issue isn't particularly attractive in low grade (perhaps true for ALL Liberty Nickels) but it is usually missing from most sets and they are seldom offered. With a mintage of only 238,000 and a rather low survival rate, 12-S Liberty Nickels are much scarcer than 1909-S VDB Lincoln Cents yet only one-fifth of the price.	EST	90-125	SE

129	1839-C Classic Head XF+ lightly cleaned. This lot represents a rare opportunity to acquire an example of scarce gold from the Charlotte Mint. The issue was struck from two dies, the present coin appears to be the overdate variety as the undertype is clearly visible beneath the 39 of the date. The rev shows three prominent die cracks, one going from the eagle's left wing to the rim at K10, a second dramatic one running from the left corner of the shield thru the eagle's beak, and a third going from the leftmost talon to the rim at K6:30. An historic and interesting coin despite a few light hairlines.	EST P	3,200-4,000	SE
